LABOUR RATES

- Custom Work, for other than Municipal purposes, will only be performed after municipal requirements have been met. Scheduling will be at the convenience of the Municipality.
- Custom Work will require prior approval of the Operations Superintendent or his/her designate.
- All mobile equipment shall be rented with operator. Equipment operators shall be municipal employees.
- Current labour rates are listed below. Special circumstances for labour charges will apply where necessary (i.e. minimum callout time, overtime meals, etc.).
- Custom work should only be undertaken if local contractors cannot perform the work or the service or special equipment is not available locally. Proof indicating local contractor is unavailable must be submitted to Municipality.
- Labour Rates:

Equipment Operator	- Regular work hours	\$47.90 per hour
	- Overtime hours	\$71.84 per hour
Labourer	- Regular work hours	\$34.51 per hour
	- Overtime hours	\$51.76 per hour
Lead Hand	- Regular work hours	\$58.71 per hour
	- Overtime hours	\$88.07 per hour
- Labour rates include benefits.
- All rates are subject to H S T
- All rates are subject to a 15% Administration Fee.
