PART V – GENERAL

- 1. Water Services Rates will be billed quarterly and shall be paid by the due date stated in such bill, failing which the interest and other charges set out in this by-law shall be applied.**
- 2. Where for any reason the consumption of water on premises has not been recorded, the meter fails to register or where in the opinion of the Treasurer the consumption of water has been wrongly recorded, the Municipality shall apply the “Customers with Non-metered Services” fees in Part II and the owner shall be liable to pay the amount applied.**
- 3. Water and/or Waste Water (Sewage) Accounts in arrears over 90 days may be subject to termination of water and waste water (sewage) services. Municipality personnel shall terminate such services by turning the curb stops off. Services terminated for non-payment of accounts shall be subject to the applicable reinstatement fee, plus a security deposit in the amount of the customer’s charges for the two billing periods immediately prior to the termination of such services for both water and waste water (sewage) services.**
- 4. In the event that the water and/or waste water (sewage) services have been terminated by request of the customer or by the Municipality, the customer shall continue to be subject to the distribution and infrastructure renewal fees referred to in Part I above, billed quarterly.**
- 5. Customers disregarding two (2) requests to contact Public Works Department shall have services terminated by turning the curb stops off and shall be subject to reinstatement fees.**
- 6. The Water/Sewage Service Form attached as Schedule “K-3” shall form part of this Schedule.**
- 7. The Contact Request Forms attached as Schedule “K-4” shall form part of this Schedule.**
